

Alice Joy Overton

Alice,

You are so loved by our whole family, and we are genuinely grateful to be your parents. We gave you the middle name Joy because of the joy God has brought to us through you and through your sisters. We promise to continue to learn the joy of the Lord with you every day. We pray that you will know God's love for you and that you will seek Him first and above all else.

Mom (Elaine), Dad (Daniel), Eleanor, and Harriet
