

## Conejo Elementary Tutoring

For over a decade the Conejo Valley Church of Christ has partnered with teachers at our neighborhood elementary school to assist students with reading and math skills. Our night to meet with, learn with, and build relationships with students has been Thursday evenings from 6:30 - 7:30pm. Because of the COVID pandemic we have most recently worked with our student friends via Zoom.

Starting in October of 2022, we are planning to resume a version of weekly tutoring assistance with some of the Conejo Elementary students. We will have to wait and see what the status is in the fall to know whether it will be in person or via zoom. Additional information about this opportunity will be shared in the Family News bulletin, on the website, and via e-mails in the coming weeks.

Our champion for this valuable ministry is Rob West ([robbie1138@gmail.com](mailto:robbie1138@gmail.com)). Please contact him to learn more about this wonderful way to be involved serving in our community.
